### Editorial Note

I am pleased to introduce Journal of Nursing and Health Studies a rapid peer reviewed Journal which aims to evaluate and understand complex health care interventions and health policies and employ the most rigorous designs and methods appropriate for the research question of interest. I am pleased to announce that, all issues of volume 4 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2019.

The Journal aims to flourish and focus on topics related to Healthcare Online Services, Health Literacy, Malpractice Risk, Patient Safety, Diagnostic Accuracy, Healthcare Financing, Nursing, Healthcare Materials, Health Informatics, Healthcare Policies, Health Promotion.

All published articles of this journal are included in the indexing and abstracting coverage of China National Knowledge Infrastructure (CNKI), Cosmos IF, Secret Search Engine Labs.

During the calendar year of 2019, IJNHS received a total of 30 manuscript, out of which 20 articles (67%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 10 articles were subjected for publication after they are accepted in the peer review process. In the 3 issue of Volume 4 published during the year 2019, a total of 10 articles were published of which, articles were published from authors all around the world. Globally
