

## Editorial Note

Emily Green, Insight Medical Publication, London, UK; Email: animallivestock@escienceopen.com

I am glad to mention the achievement during the year 2019, all issues of volume 3 were published online well within the time and the print issues were also brought out.

Journal of Animal Sciences and Livestock Production (IPJASLP) during this year also brought out World Congress on Animal Science and 31st World Congress on Nutrition & Food Sciences Conference proceedings has published Online.

The Impact Factor of Journal of Animal Sciences and Livestock Production (IPJASLP) of the year 2018 was 0.84\*, along with that journal is also indexed in China National Knowledge Infrastructure (CNKI), Publons, Google Scholar and Secret Search Engine Labs. Journal follows strict publication ethics.

During the calendar year 2019, Journal of Animal Sciences and Livestock Production (IPJASLP) received total 50 articles, out of which 20-25 articles were rejected in the preliminary screening due to plagiarism or being out of the format. During 2019 around 20 articles were subjected to the peer-review process and were sent for minor revision. Journal of Animal Sciences and Livestock Production (IPJASLP) is an open access journal; double blinded peer review process has been followed in our journal. In peer review process, reviewer would take 7-14 days to submit their valuable comments. It would

take 21-25 days to complete the whole process; articles were published from authors all around the world. Journal of Animal Sciences and Livestock Production (IPJASLP) is one of the leading international journals in the world. Journal is providing a vast platform to the authors to reach the journal easily through the social media by advertising the published article on the online platform such as Twitter, LinkedIn, and Academia. Average publication lag time of an article was further reduced to 2-3 weeks.

During the calendar year 2019, a total of 5 Editors, 15-20 Reviewers joined the board of PIDOA and contributed their invaluable services towards contribution as well as publication of articles.

I take this opportunity to acknowledge the contribution of (Takeshi Ueha) during the final editing of articles published and the support rendered by the editorial assistant, Emma Smith in bringing out issues of IPJASLP in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of IPJASLP, the office bearers for their support in bringing out yet another volume of IPJASLP and look forward to their unrelenting support to bring out the Volume 4 of Journal of Animal Sciences and Livestock Production (IPJASLP) in scheduled time.
