

## 3<sup>rd</sup> World Congress on Eye and Vision December 17, 2020 Webinar

### Editorial Notes

We had a huge success with the completion of 3rd World Congress on Eye and Vision Webinar on December 17, 2020. The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their Knowledge, Research work, Technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Congress has received a generous response from all over the world. This has been organized with the aim of endorsing the development of new perceptions and ideas for investigating the high level of knowledge reached by scientific community in the field of Ophthalmology.

The conference was organized around the theme “*Fostering advances, Applications and new techniques in Ophthalmology*”. The congress entrenched a firm relation of future strategies in the field of Ophthalmology.
