Citation: Anil TP. Editorial Overview since Global Journal of Research and Review's Inception: It's Worth to Publish. Glob J Res Rev. 2016, 3:1.

Since inception of 'Global Journal of Research and Review' in 2014, it published fifteen research articles and one case report. A Brief Review on Antitubercular Activity of Pharmacological Active Some Triazole Analogues and a Study on Profiles of Clients Attending an Integrated Counselling and Testing Centre of Tertiary Care Hospital in India has more to say about human life medical problems. Also, human clinical rare Case 'Heterotopic Pancreas Presenting with Intussusception' reported a significant disorder in medical pathology.

Research articles like Synthesis, Characterization and Electrochemical Study of Bioactive Ligand, 4-Hydroxy-3-Nitroacetophenone, the Influence of Juvenile Fish (*Oreochromis niloticus*) on Population Density of Pond Breeding Mosquitoes in the Degraded Wetlands of Yala Swamp, Western Kenya, Phylogenetic Relationships among Different Lines of Rabbits in Egypt, Plant Defense and the Counter Defense by Viruses, Spatiotemporal Characteristics of Ground Water Level Fluctuation in Jaipur Urban Area Rajasthan, India; Urban Growth and Housing Problems in Kubwa District of Bwari Area Council, Abuja, Nigeria; Comparative Analysis of Fuelwood Utilization In-and-Around Ikara Local Government Area of Kaduna State, Nigeria; Analysis of the Economic Benefits of Gombe International Airport in Nigeria, Aviation industry, Air transport, Economic benefit, Gombe State International Airport, Analysis of Future Urban Growth Scenario of Damaturu Town in Yobe State, Nigeria, Assessment of Meteorological Drought-"A Case Study of Solapur District, Maharashtra, India"; Does Life Satisfaction Correlate with Risky Behaviors? Finding from Ethiopian Higher Education Students and Common Fixed Point Theorem in Sequentially Complete Hausdorff Ordered Uniform Spaces had excellently put forth the studies on all aspects of life.

In 2015, journal published one review article, six research articles and two case reports. It enlightened the readers about review on Climate-Responsive Architecture and Sustainable Housing in Nigeria. Research articles for assessment of the Impact of Users' Needs on Housing Quality in Ado-Ekiti, Nigeria; Urban Growth and Housing Problems in Karu Local Government Area of Nasarawa State, Nigeria has made sure to analyze housing issues in critical context.

Global Etiquette on Gender Issues in Peacekeeping and Peace building has shown the path for an Integrative Panacea Approach to Global Peace which is dire need of time. Studies like Molecular Analysis of Three Rabbit Genotypes Using Protein Markers, Evaluation of Free Radical Scavenging Activities of Aqueous Extracts of Fruits of *Ziziphus mauritiana* and *Eriobotrya japonica* through in vitro Antioxidant Assays, Qualitative Land Suitability Evaluation for Maize has focused on current approaches in research. A medical rare Case Report on Ewing's Sarcoma/Primitive Neuroectodermal Tumor (ES/PNET) in the lung and Lipocondromatous Pulmonary Hamartoma-has scrutinized the worldwide cancer crisis.

Thus, Global Journal of Research and Review aims at the publication of original research, reviews and short communications on the latest developments in all fields of "General Science, Healthcare, Mathematics, Physics and Technology". Considering the growth, quality, indexing, ethical peer review process and rapid publication format of this eminent journal; it's really worth to publish the research in this journal.
