

Organic Chemistry 2020 Awards

Radhey Srivastava

Distinguished Professor of Chemistry, The University of Louisiana Lafayette, USA, E-mail: srivastava@louisiana.edu

We are pleased to announce the “7th International Conference on Organic and Inorganic Chemistry” to be held in **June 18-19, 2020, Geneva, Switzerland**. Organic Chemistry 2020 with the theme “*Exploring scientific research strategies and industrial advancements*” will be an excellent opportunity for oral presentation, poster presentation, workshops/exhibition, plenary talks, as well as exceptional networking opportunities.

Organic Chemistry 2020 Awards:

The following awards will be presented at the Organic Chemistry 2020 conference. Each awardee will be invited to present an oral/poster presentation on his/her research and is expected to submit an article. This award acknowledges the outstanding research initiatives in the field of Organic & Inorganic Chemistry, aims to recognize effort of early career researchers and to bring continued advancements in Chemistry.

Organic Chemistry 2020 is pleased to provide the following awards:

- **Scientific Service Achievement Award**
It is the most prestigious award felicitated to the researchers having minimum of **20+ years** of research experience in the relative field of Organic & Inorganic Chemistry. This award recognizes the most outstanding contribution to chemistry research in the scientific fields.
- **The Research Contribution Award**
This award is a special recognition award to those business or academic professionals who have more than **10+ years** of experience in the field of Chemistry.
- **The Women of Science Award**
We cordially invite women researchers from Universities/Industries/Research labs all over the world who have **10+ years** of research experience to join the forum.
- **Best Speaker award**
The award is given to the speaker who showcases their keen interest on discovering new techniques

and feasibility of turning their ideas into action, strategies, and schemes that have been implemented to improve long-term excellence in Chemistry. The award is open to professors, associate professors, and lecturers.

- **Best Keynote Speaker award**
This award is to honour the continuous effort and for presenting the Best Keynote Speech, which is an implementation of new research strategies.
- **Best Poster Presentation**
This award will be presented to the best poster presenter to encourage them to take part and present their budding skills at International Conferences. This award is open to undergraduate & graduate students.

Best Master's/PhD/Postdoctorate Thesis Work Presentation Award:

Best Presentation Award is intended to recognize the excellent research being carried out by young scientists working in the Organic & Inorganic Chemistry.
