Conference Series LLC LTD proudly announcing Young Researchers Awards with an aim to recognize outstanding achievement and contribution of professionals and researchers in the area of medical, life sciences and health care.

Young Researchers Presentation is a key session at 7th Asian Herbal and Traditional Medicine Summit which is scheduled during April 20-21, 2020 in Tokyo, Japan. Traditional Medicine-2020 focused on the theme “Exploring the possibilities of herbal and natural products”.

In recognition of current research and innovation, the Committee of Traditional Medicine-2020 Conference is organized to grant prestigious awards to talented young physicians, scientists, young students, post-graduates, post-doctoral researchers, trainees and junior faculty members.

The Young Researchers Awards are dedicated to providing a strong chance for early career scientists to share their expertise on all facets of medicine and exchange experiences with experts.

The Young Research Forum gives young researchers a platform to promote their own accomplishments and future prospects in their respective fields.

Major scientific sessions of Traditional Medicine-2020 conference are Herbal Medicine, Traditional Chinese Medicine, Acupuncture, Folk Medicine, Unani Medicine, Ayurveda, Japanese Medicine and this international conference will be attracting leading researches and decision-makers, top scholars and business professionals in their fields for exchanging worldwide knowledge and research.
